Reference : 171003

EAN13 bar code : 3545501710036

Package : boxes of 6

PAO : 6 month

Selling points

This is a complete juvenating mask: It is exfolient (silica), nourishing (grape seed and olive oil), moisturizing¹ (olive squalene) and calmitive (chamomile). Apply in thick layers on your face and leave it for 5 minutes before rinsing. The skin, after a thorough in depth cleansing, recovers its suppleness and comfortable feeling.

Active principles

- Chamomile floral water : It has a calming and purifying effect and helps restore balance to dry, irritated and fragile skin. It soothes tired eyes and reduces shadows under the eyes. It has antiseptic and anti-inflammatory properties.

- Olive squalene : From hydrogenation of squalene contained in olive oil. Its affinity with the skin and its emulsionability with human sebum make it a remarkable emollient and moisturizer¹.

- Organic virgin olive oil: From cold pressed olives and filtered. It is rich in essential fatty acids (approx. 80%) and vitamins A, E, C and D. It has nourishing, emollient and protective properties. Particularly recommended for dry and devitalized skin.

- Grape seed oil : Grapes are rich in vitamins C, A, B1, PP, mineral salts and oligoelements (phosphorus, potassium, calcium, magnesium). The oil extracted from grape seeds possesses softening, anti-radical and antioxydant properties. It enhances the skin's natural protection.

- Silica : A mineral agent acting as a natural exfolient.

¹ moisturization of the upper layers of the epidermis
