Tonic lotion

Rose floral water - Lavender floral water
Chamomile floral water - Witch Hazel floral water
Kiwi fruit water - Grapefruit water

Selling points

An entirely natural face care with 98% flower and fruit waters. To be used in the morning, this refreshing, purifying, tonic and astringent lotion cleanses the face very softly, also preventing diffuse red patches. Without alcohol, it is specially recommended for sensitive dry skin. It helps make your skin neat and bright again.

No paraben, no phenoxyethanol, no silicone.

99 % of active principles

99 % of total ingredients are of natural origin

Active principles

- Rose floral water : Astringent, it tightens the pores, prevents wrinkles. Recommended for delicate skin.
- Lavender floral water : For normal and oily skin. Highly purifying.
- Chamomile floral water : Particularly suited to the care of dry skin. Lessens shadows under the eyes.
- Witch hazel floral water : Astringent, anti-inflammatory and stabilizing, it enhances microcirculation. Recommended for dry and sensitive skins and prevents red blotches.
- Kiwi fruit water : Nourishing, energizing.
- Grapefruit water : It brings a genuine concentrate of vitamins indispensable for a glowing complexion.
